Ref. No.: RAC.100-15/3/4(7)

Date: 1 November 2019

To whom it may concern,

**PRE-QUALIFICATION TO MANUFACTURE / ASSEMBLE AND SUPPLY, OR
LEASE OF LOCOMOTIVES AND BOGIE CONTAINER FLAT (BCF) WAGONS**

The pre-qualification exercise as stated above as carried out by RAC on 3rd June 2019 is referred. This letter is addressed to the companies that have participated in the pre-qualification exercise.

2. Consistent with the RAC's mandate as stipulated under the Railway Act 1991, and based on request made by Keretapi Tanah Melayu Berhad (KTMB), RAC had carried out the pre-qualification exercise in the interest of developing the railway cargo service as operated by KTMB. In addition, RAC had also carried out the exercise in order to reduce the dependency to the Government of Malaysia in the procurement of new rolling stock.

3. We have since been informed however that KTMB has decided to pursue the procurement of the locomotives and wagons on their own. With this latest development, we are now calling off the pre-qualification exercise and will not pursue the next step of procurement.

Ref. No.: RAC.100-15/3/4(7)

4. We would like to thank all parties that have participated in the pre-qualification exercise. RAC remains committed in developing the railway industry of Malaysia and we look forward for the continuing support from the market.

Yours sincerely,

(AZHAR BIN AHMAD)

General Manager

Railway Assets Corporation
